Hebrews 5:11-6:1

Key: A / B | CAPO 2, play in 'G' and 'A'

## verse 1:

Lord I say that I want to be like You  
and then I don't do what You ask of me  
And I say that my heart belongs to only You  
So then why does my heart chase so many things?

## chorus:

Make me hun - gry for You, Lord  
Let this world I've let pollute me  
steal my appetite no more  
Make me hun - gry for You, Lord  
That the Bread of Life can fill me  
and quench my thirst with living water  
Make me hungry for you, Lord

# Make Me Hungry For You (page 2)

*verse 2:*

Lord I lay my life upon Your altar  
For all that I can offer You is me  
And I ask You, Lord, to forgive me  
For the things I have let take Your place in filling me

*chorus 2:*

Make me hun – gry for You, Lord  
Let this world I've let pollute me  
steal my appetite no more  
Make me hun – gry for You, Lord  
That the Bread of Life can fill me  
and quench my thirst with living water
